12th P-2 Swimming commences

13th Parent Talk—TBC

15th 3-6 Swim Carnival

16th Chai Friday

22nd Strings Concert 7pm
Montmorency Secondary

Principal Report

The Fair

Firstly I must ensure that I recognise all of our Fantastic Fair Committee members from the Fair. Hayley, Manjari, Suzy and Katrina have reliably informed me that it was indeed a team effort! As a result of the hard work and sacrifice we had a great community day and have raised in excess of \$20,000! A final tally will be known soon.

Cup Day Monday

This is a Curriculum Day for all students. I hope you enjoy the slightly longer, long weekend!

Outdoor Classroom Day

What a fun way to spend the day learning. The children spent most of the day outdoors. Due to the weather forecast we compromised on the last hour and they spent that inside. I can't believe this is the first time we have participated in this! For those of you who are interested here is the link for the day... <https://outdoorclassroomday.com.au/>

Camp

I travelled across to Adanac near Warburton for the grade 3/4 camp on Thursday afternoon. The weather was perfect. I arrived during the activities. There was canoes, flying fox, trampolines and even a water slide. How camps have changed. I think the only adventure activity at camp in my day was a cold shower and a leaky tent!

I managed to avoid the flying fox due to the height restrictions.... I did splash everyone in a canoe and I couldn't do the trampoline due to my ankle injury at the recent trampoline Australian Championships...

The children were all happy and I joined them for dinner. Spag Bol and ice cream were on the menu. There was plenty of seconds and I did eat two bowls... of both. See the photos!

Thanks to the staff and parents for taking time away from their own family to provide a great experience for the children.
